MESSAGE

Office of the Council of Elders
Manila, Philippines
APRIL 2019

My most heartfelt congratulations to the students, parents, and faculty of the Lord Jesus Our Redeemer Christian Academy (LJORCAI) on the occasion of the 14th Commencement Exercises, aptly themed, "KNOW ALSO THAT WISDOM IS LIKE HONEY FOR YOU. IF YOU FIND IT, THERE IS A FUTURE HOPE FOR YOU, AND YOUR HOPE WILL NOT BE CUT OFF." (Proverbs 24:14).

As the LJORCAI Family continues to provide quality Christian education, we have never lost sight of our main objective, and that is to "bring the little children unto God" (Matt. 19:14) — who is ultimately the true source of wisdom. In this day and age, when other educational institutions sprout left and right, what sets us apart is our strong Christian foundation. As we integrate scholastic learning with biblical truths and the pursuit of godly wisdom, we are slowly but surely building up young people ready to face the realities of tomorrow. Just as honey is beneficial and delightful to the body, so is godly wisdom important and valuable to the soul. When our children's whole being is anchored in this truth, only then can we truly say that their future looks brighter and more promising!

In this light, I encourage the teachers and parents to continue moving toward the ideals of LJORCAI and help bring the students closer to God – not only to His teachings, but moreso to His very person. Let the child experience the love of Christ through you. In behalf of the LJORCAI Board, I greet you all with the love, peace and grace of our Lord Jesus Christ.

Soli Deo Gloria.

Bishop ADOLFO B. AQUINO
Council of Elder/Spiritual Mission Adviser

MESSAGE

Greetings!

It is an honour to welcome you to LJORCAI.

I feel privileged to lead such an exciting and blessed school that offers great opportunities for the young people of LJORCAI. It is our goal to make each and everyone students to succeed. We offer our students the best possible opportunities to become confident, thoughtful young people, Christ-centered, who are prepared for any future challenges, in an exciting and increasingly global world.

At LJORCAI, we are very proud of our caring, inclusive culture where we set high standards and expectations for our students to achieve and behave their very best. Our dedicated teachers and staff will enable us to deliver our programmes in an environment that the intimate, friendly and at tuned to every specific educational needs wherein integration of Christian values is the main goal. We keep our classes and tutorial groups relatively small to create an atmosphere comfortable that allows learners to really get to know their teachers. Our Special Education Program, a personalized teaching approach and modified strategies are applied to meet their needs so that their potentials may be honed and supported alongside with their knowledge, skills and attitudes.

In closing let me congratulate LJORCAI preparatory graduate of SY 2018-2019 on all your achievements. Your parents and teachers have every reason to be proud of you on this Graduation day. I wish you very best in the next level.

Once again, Congratulations to all preparatory graduates, moving up participants and their families. May you continue to experience great success in your endeavours and remember that in Proverbs 24:14 "Know also that wisdom is like honey for you, if you find it, there is a future hope for you, and your hope will not be cut off."

In Christ,
EMPERATRIZ S. CRUTA, M.A.Ed.
LJORCAI President

MESSAGE

Congratulations to the LJORCAI graduates! I salute to the parents, teachers, mentors and guardians of the graduates who sacrificed for the growth and development of the said graduates.

Graduation is a time for celebration, a time of reflection, and time to look ahead. Since most of the kids are special. They don't know what's the importance of this event but they have feelings of joy when they see their parents, loved ones, mentors and classmates being together and receive awards from school.

Surely there is a future for these special kids and your hope will not be cut off. Parents, mentors and kids need POWER to fulfill God's calling. P stands for prayer and perseverance. Sincere prayer according to His will touches God's heart and experience answered prayer. Persevere until you obtain what you are asking for. O stands for organization. You need connections with the right organization for training and development. These connections will give you guidance and wisdom for your progress and be an instrument in solving problems. W stands for work. Work for your dreams to come true. Action to achieve something. E stands for enthusiasm. Be enthusiastic though the going is tough because you believe that God is with you. He will make a way and problems are just temporary. They just come and go. Problems are just spices of life to achieve the desires of your heart. The last but not the least is R which is reward. You reap rewards because you sow or invest something. Invest in education. Never stop learning because when you stop learning, you are prepared for death.

All of us need to be connected, be trained, and be empowered for brighter future of these special kids. Hope for the best. Do the best of what you have and God will do the rest. Once again, Congratulations!

ANITA B. DE LA CRUZ, DBA
SpEd Supervisor

MESSAGE

Dearest Students, Faculty, Staff, and Loving Families,

We all Praise and Glorify God for this special day He has given us!

It is such an honor to be part of this school year as PTF President and today, we celebrate another milestone in the lives of class 2019, when we all come together to give praise and glory to God Almighty as we recognize His faithfulness in the lives of our students and faculty of the LJOR Christian Academy (LJORCAI) on the momentous occasion of the 2019 Graduation & Recognition Exercises, aptly themed, "Know also that wisdom is like honey for you. If you find it, there is a future hope for you, and your hope will not be cut off." Proverbs 24: 14

Today is about the end and a new beginning. And I want to congratulate not only our students, but our teachers and parents/ guardians for we all know that this will not be possible without your unconditional support and love to our students: our children. It was never easy to guide and support a child no matter what situation we are all in. I can only imagine how proud you are to these kids and we all deserve a pat on the back and tell to yourself, "Good job! We did it." So today, let me also express my appreciation to all the parents. For all the times you've doubted yourselves, for all the times you've felt weak and lost, you've never surrendered, but you continued to have courage, faith and perseverance, all for the good of our children, and for the glory of the Lord.

Parents, today may be the end of another school year, but we know that this is only the beginning the start of something great and bright for our beloved children. Continue to love and support them, they are the treasure God has given us.

Students, love, obey and honor your parents. They only want the best for you. And as you grow, I pray that you seek God with all your heart, be kind and may you find happiness and contentment in life.

And as I end, let me share this quote from Rob Liano, an author and a coach speaker. He said, "Knowledge is power? No. Knowledge on its own is nothing, but the application of useful knowledge, now that is powerful." And as we try to navigate life, I hope that we always ask God's wisdom and will in our lives and may we all develop relationship with Him, so we will never go wrong, but hopeful and stronger as days pass by.

In behalf of the PTF S.Y. 2018-2019 and the Members, I greet each and everyone a Blessed Day & Congratulations to all of us!

Let's celebrate!

PREPARATORY GRADUATION SPEECH
DELA CRUZ, PAUL ALLEN
WITH HONORS
S.Y. 2018-2019

Good day fellow graduates!

Today, this event may meant a lot to all of us. Some may feel sad because we are getting apart but for some it is a sense of fruitfulness for the hard time of our parents and teachers. As we look forward, some may feel excited while others have hesitation. For some, we are called people with disability but for some we are special. However they see us, we are still what we are. We can make it as we dream of what we want us to be with the grace of God. For sure, we are never alone to face another journey of our lives and so we can make it simpler and keep it up because God is with us.

We all know that we are different in such special way in which others find it difficult to understand but as we all embrace and empower this unique identity, we are all here successfully celebrating our graduation day. Without the full support of our love ones this could not be possible and so we, students are thankful for the love and support we received unconditionally. To our teachers that faced daily challenges having us around, thank you. And most especially I thank God whom had been great provider of all the things we need and the one that make things possible all the time.

May God bless us with strength and courage to face another journey of our lives.

MESSAGE

Good morning everyone, today we are gathered to celebrate a very important occasion for everyone involved. We've come to celebrate the Moving Up Ceremony of the Nursery Batch 2018-2019. God has truly blessed us with the gift of life, and what greater gift to us parents than our children and what greater gift to the teachers than their bright students? Each day, we are reminded that God has sent us blessings with the wisdom He has given us. Sweet wisdom, when attained, gives us the hope for a greater future, which is why we've decided to put our children into this institution. God has blessed us with the wisdom to send off our children to this school with the hopes of them attaining great futures ahead. Let's keep this in mind while continuing to walk our flower path. Once again, good morning to you all and congratulations to Nursery Batch 2018-2019."

© ALMA MATER Song ©

Lord Jesus our redeemer
The only way to the Father
You want the best for us all
Your Healing grace has made us whole.
From the top of our head, to the soles of our feet
You turned our bitter life into something sweet.
You restored our peace, prosperity, love, health and joy.

By your stripes we are healed
Your precious blood my sins concealed
We dedicate our Alma Mater to your name, to your name
Your wonderful throne be glorified
We commit our lives to you.

LORD JESUS OUR REDEEMER
LORD JESUS OUR REDEEMER.

·When you return we'll meet you on high.

The POTTER's HAND

Beautiful Lord, wonderful saviour
I know for sure, all of my days are
held in Your hands
Crafted into Your perfect plan

You gently call me, into Your presence
Guiding me by, Your Holy Spirit
Teach me dear Lord
To live all of my life through Your eyes

I'm captured by, Your Holy calling
Set me apart
I know You're drawing me to Yourself
Lead me Lord I pray

CHORUS

Take me, Mold me
Use me, Fill me
I give my life to the Potter's hands
Hold me, Guide me
Lead me, Walk beside me
I give my life to the Potter's hand

GRADUATION/RECOGNITION PRAYER

Dear Lord, Thank you very much for giving us this graduation recognition day. Culminating this years accomplishment, a day were we can look back and reminisce our year long achievements, happy memories with our mentors, parents and our alma mater-THE LORD JESUS OUR REDEEMER CHRISTIAN ACADEMY.

We pray for our teachers and parents, that you may give them more wisdom and patience to continually guide us and mold us into becoming one true Christian; that has true love and fear of you, that we may become a good citizen worthy of emulation with others.
We ask you this in JESUS CHRIST name, amen.

PLEDGE TO THE BIBLE

I pledge allegiance to the bible, GOD'S HOLY WORD.
I will meditate on it day and night and shall make
it a lamp unto my path. I will hide these words in my heart,
so that I might not sin against God.

PLEDGE TO THE CHRISTIAN FLAG

I pledge allegiance to the Christian flag
Unto the savior, for whose kingdom
stands, One savior, crucified, risen and
coming again with life and liberty for who's faith attained

PRE-SCHOOL PLEDGE

I pledge to myself to obey God's word
To accept Jesus into my life and be good
To every person big or small
I will help them if they fall
When I love myself and others too
That is the best way I can do
